New Sidewalk on SE 54th Place and SE 52nd Street

An upcoming City of Bellevue Transportation project in your area will construct new sidewalk on SE 54th Place and SE 52nd Street near Newport Heights Elementary.

The project will build a 6-foot wide sidewalk on the north side of SE 54th Place starting at 119th Avenue SE and connecting to the existing sidewalk just east of 118th Avenue SE. The project will also build a 6-foot wide sidewalk on the south side of SE 52nd Street between 117th Avenue SE and 119th Avenue SE. This will create a continuous walking path for people around the school, including Newport Heights Elementary school students. Street parking on both SE 54th Place and SE 52nd Street will be preserved to the greatest extent possible.
