

# Eastrail to NE 12th Street Trail Connection Project Update

April 2023

The City of Bellevue's Transportation Department will be constructing a connection between the existing Downtown to Spring District Path and Eastrail. This project will improve access and connectivity for people who walk and roll in BelRed. The project includes the following:

A new 14-foot wide paved trail between Eastrail and the existing Downtown to Spring District path on NE 12 St

New trailhead mixing areas at Eastrail and NE 12 St

Trail lighting, irrigation, landscaping and other urban design elements

Wetland mitigation and property restoration

## Project schedule

The design for the work is 60% complete. Construction is tentatively scheduled for 2024 pending the completion of design and construction funding availability.

## Funding

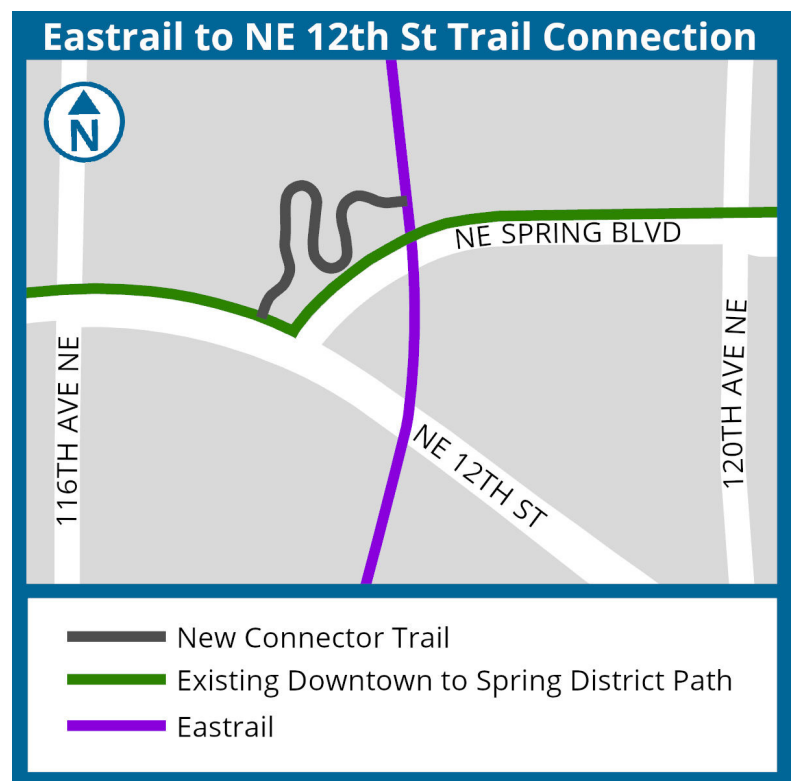

The design for this project is primarily funded by a federal grant. The estimated cost is about \$1.5 million.
