

# Bellevue Essentials

An Introduction to Civic Engagement

NOW IN OUR 12<sup>TH</sup> YEAR!

Twelve-week course on Bellevue city government in action

## What is Bellevue Essentials?

Bellevue Essentials is a 12-week civic engagement program that will open your eyes to the “who”, “what” and “why” of City government and the avenues to get involved. You will experience the daily structure and operations of city government - the work, the challenges, and the collaboration between staff and community that make Bellevue a great place to live, work and play. Hands-on activities allow you to experience the day-to-day challenges of running a local government. Each session includes some pre-class homework, a networking dinner, and presentations and activities from different city departments.

## Who should apply?

## Where are our graduates now?

Since 2013, over 370 participants have graduated from the Bellevue Essentials program. All of Bellevue's neighborhood areas are represented in the alumni group, as well as many cultures, backgrounds, occupations and views. Each individual has brought their breadth of experience to the classes and community. Many of our alumni now serve on city boards and commissions, advisory committees, neighborhood associations and at nonprofits in the community. They lend their leadership skills and knowledge of Bellevue to the community and help to build a better future for our city.
