**Phone:**

## **Program Description**

**What specific, emerging, and/or unique issue is the community you serve facing?**

Describe the need you are trying to address with this program. Explain the challenges and issues, both ongoing and new, that the population you serve is facing. You should address needs in specific cities to which you are applying. Max 3000 characters

**Describe your proposed program. Include details on the services provided, how and who will deliver these services:**

Provide enough detail so we have a solid understanding of your program model and approach including affordability (e.g., sliding fee scale, scholarships), how you prioritize services (e.g., wait list, first come first served).

**Who will be served by this program?**

Describe the population of focus for this program. (e.g., refugees/immigrants, youth, people experiencing homelessness). Include both demographic and geographic details as well as any unique/special needs of the population. max 1500 characters

**How do clients hear about the services or the work that you provide? :**

Describe your marketing and outreach efforts. max 1500 characters

## Program Impact

**How is your organization working to address disparities based on race, gender, income, and other factors within your organization and in the services you provide? What changes or impacts have you seen as a result of your efforts?**

Outcome measures should reflect how the unique services you provide improve the lives of your clients. As you prepare your outcomes, start thinking about what impacts of your services you are most proud of.

Outcomes should measure the percentage of people you serve who experience a desired improvement. This should be based on data, not anecdotal evidence or guesses. Outcomes measure the quality of your programs and services, not the quantity of services delivered.

Questions? Contact city staff.

Outcome Measure 1
