

Traffic Analysis Report 2024-004

155th Avenue SE (SE 63rd Street to 156th Avenue SE)

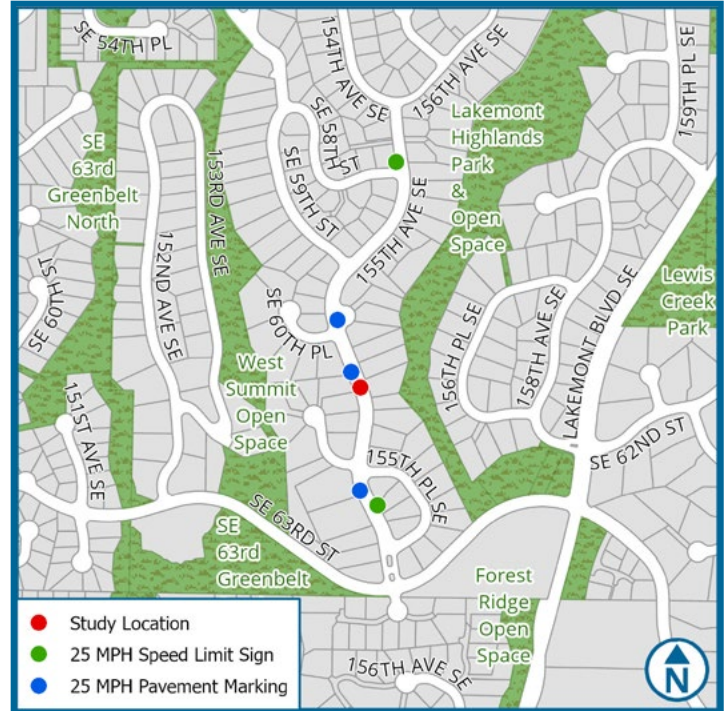

May 2024

Thank you for contacting the City of Bellevue with your concerns about vehicle speeds on 155th Avenue SE between SE 63rd Street and 156th Avenue SE.

After conducting a field review and speed and volume studies at the requested location, we have compiled the data and our recommendations into this Traffic Analysis Report.

Please review the summary of findings and our recommendations on the next pages.

You specifically were concerned about vehicle speeds on 155th Avenue SE between SE 63rd Street and 156th Avenue SE.

Our findings include:

- The results of the volume study show that there are approximately 1,000 vehicles per day traveling on 155th Avenue SE.
- The results of the speed study show that 155th Avenue SE had an 85th-percentile speed of 31.9 mph in the southbound direction and 30.9 mph in the northbound direction.
- A three-year collision history study showed no reported collisions along this road segment.
- This location has been added to the City's list of candidate locations for traffic calming measures. Approximately every two years, the City will review the list of candidate locations and their ranking and select a few locations that will move forward for consideration based on available funding.
- In the meantime, we recommend you utilize our other resources such as requesting for speed enforcement, temporary radar dollies, and yard signs. We encourage you to speak with your neighbors about these resources. If you and your neighbors would like to request for these resources, please contact Neighborhood Traffic Safety Services at belleventss@bellevuewa.gov or 425-452-6457.

Summary of Findings

Below is a summary of the data we collected on 155th Avenue SE from 4/29/24-5/5/24.

Road Characteristics

155th Avenue SE is a two-way residential street with approximately 18 ft lanes and 6 ft sidewalks in each direction as well as approximately an 11 ft planter median.

Residential Street

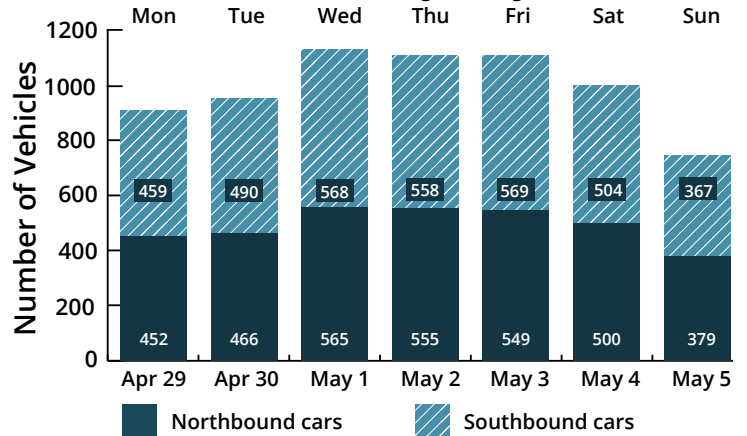

155th Avenue SE is a residential street in Cougar Mountain / Lakemont with a posted speed limit of 25 mph.

Daily Traffic

The mid-week daily average traffic on 155th Avenue SE is 1,067 vehicles per day. Mid-week average includes data between Tuesday and Thursday for both directions of travel.

Traffic Volume by Day (2024)

Speed Study

When measuring vehicle speed, we use a metric called the 85th percentile speed. This speed, shown to the right, represents the speed at which 85% of all vehicles recorded are traveling at or below during our speed study.

155th Avenue SE had an 85th-percentile speed of 31.9 mph in the southbound direction and 30.9 mph in the northbound direction.

85th % Speed (2024)

Collision History

A three-year collision study was conducted on 155th Avenue SE between SE 63rd Street and 156th Avenue SE.

FINDINGS: There were no collisions report on 155th Avenue SE between SE 63rd Street and 156th Avenue SE.

Summary of Recommendations

Based on the results of our field reviews as well as our data collection and analysis, the 155th Avenue SE segment between SE 63rd Street and 156th Avenue SE have been added to our list of candidate locations for traffic calming measures. Approximately every two years, the City will review the list of candidate locations and their ranking and select a few locations that will move forward for consideration based on available funding. In the meantime, we recommend you utilize our other resources detailed below. More details on these recommendations are outlined in the Residential Traffic Guidebook (BellevueWA.gov/ResidentialTrafficGuidebook). By educating the community and encouraging safe driving, we can begin to change driver behavior and reduce vehicle speeds.

Educate the Community

Reduce Excessive Vehicle Speeds

Improve Pedestrian and Bicycle Safety

Traffic Safety Yard Signs

We have yard signs available in four different messages: Drive Like You Live Here, Eyes On the Road, Slow Down/Kids Live Here, and Slow Down/Set the Pace. If you would like to order any of these signs, please submit this form BellevueWA.gov/YardSigns indicating which two signs you would like to request. Staff may contact you to coordinate delivery and installation.

Radar Dolly

You can borrow and place a radar dolly on your street for up to two weeks. This unit gives motorists feedback on the speed at which they are driving on a digital reader board, encouraging them to obey the speed limit. Should you like to borrow the radar dolly, please sign up on BellevueWA.gov/RadarDolly. Once we receive a request, city staff will contact you to make arrangements for both the drop-off and pick-up of the radar dolly at your home.

Traffic Enforcement

The Transportation Department works closely with the Bellevue Police Department to enforce speed limits and other traffic laws in neighborhoods. Using key traffic data provided by Transportation staff, officers focus their scheduled patrols on the times and places where speeding most often occurs. Typically, targeted enforcement occurs during a one-week timeframe. Enforcement is also available by request. To request enforcement, go to BellevueWA.gov/tsr or call 425-577-5656.

Vision Zero

Bellevue's Vision Zero initiative reflects the city's commitment to reduce traffic deaths and serious injury

collisions on city streets to zero by the year 2030. In 2015, the city council passed a resolution providing a framework to achieve this goal. It states "the life, safety and health of residents, employees and visitors to Bellevue is the city council's highest priority."

By participating in one of the recommendations, previous page, you are helping the City of Bellevue in our efforts to make our streets safer for everyone.
