

NE 28th Street Traffic Calming Project

Let us know what you think about options to reduce vehicle speeds on NE 28th Street

This traffic calming project is meant to improve the experience of residents living on NE 28th Street and neighbors accessing Ardmore Park and other neighborhood destinations. We often make more than one change to a road when we try to reduce speeds. The changes to the road will be selected based on design considerations, community feedback and available budget. As we start to design this project, we'd like to get your feedback.

We often make more than one change to a road when we try to reduce speeds. The changes to the road will be selected based on design considerations, community feedback and available budget. As we start to design this project, we'd like to get your feedback.

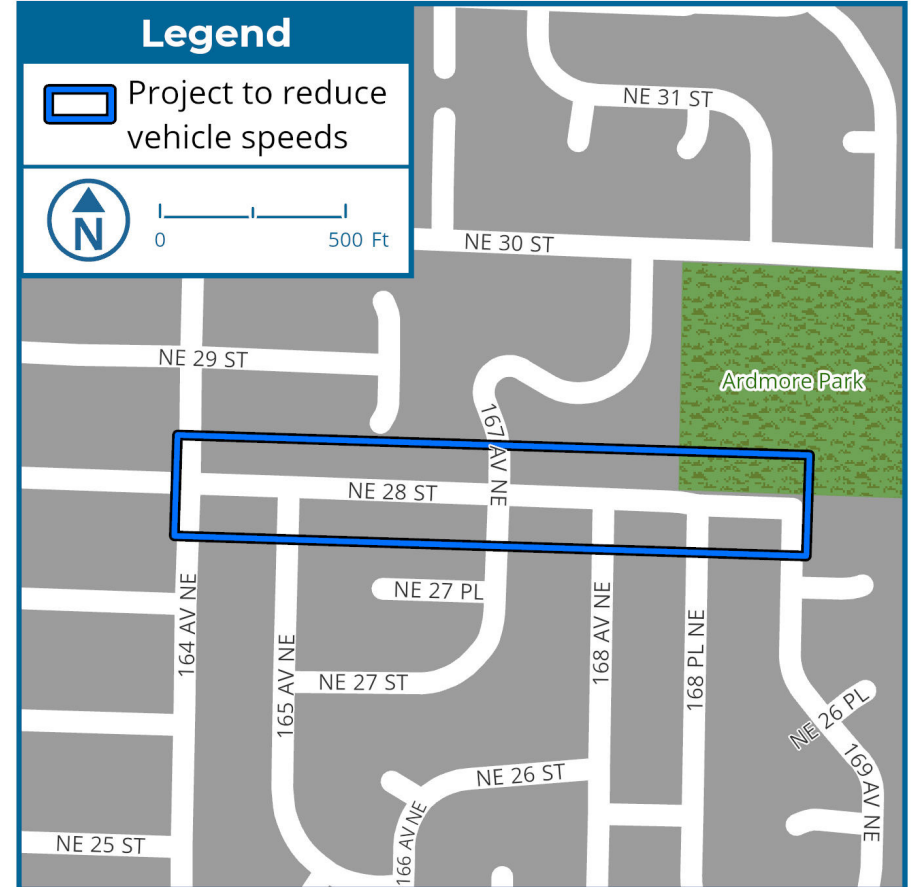

Take our short survey!

Respond to the short, anonymous survey available at BellevueWA.gov/NE-28th-Street-Survey or by scanning the QR code by September 6, 2024 to let us know what you think about different options to reduce vehicle speeds along this road. If you'd like a hard copy of the survey, please reach out via the contact information below.
