

## Robinswood Tennis Center – USTA Sponsorship Application 2026 USTA League

Robinswood has a limited number of sponsorship slots available. Upon notification of sponsorship, a team account will be set up, and home matches will be scheduled. The captain is responsible for ensuring all court fees for their team are paid at the time of a match. All USTA team accounts will be reviewed and monitored throughout the season. Any outstanding balance is the responsibility of the captain and must be cleared up by the end of the season. The captain is responsible for notifying Robinswood no later than 24hrs prior to the match in the event of a canceled court or for reschedule. If notification is provided less than 24hrs in advance the team that requests the cancellation will be responsible for reserved court fee (per court). \*Once court time has started no refunds for no shows will be given.
