

Eastside Artists Roster

City of Bellevue Arts Program

No deadline

Opportunity

The City of Bellevue seeks to establish an Eastside Artist Roster of artists residing or working in East King County, to be utilized for art and cultural opportunities. The City of Bellevue will use the roster as an outreach resource for upcoming opportunities and events, including public art projects. This is not a juried roster but a resource to connect artists living or working on the Eastside to art opportunities.

Bellevue Art Collection's Mission and Vision

While this roster is a resource for hiring musicians, performers and other types of artists, it will also be a resource for public art projects.

Mission: To be a vital platform for living artists and a source of creative inspiration for our community, excelling in representing Bellevue's unique story through art.

Vision: The Bellevue Public Art Collection seeks to be a leading platform and community resource for cultural exchange and creative inspiration through art. The collection enhances the experience of Bellevue's public places, fosters community pride and belonging, raises the discourse on the defining aspects of Bellevue's civic life, and explores the diverse identities and converging cultures of our residents, creative sectors, and the interplay between nature and the urban experience.

Eligibility

The Eastside Artist Roster is open to all artists living or working in Bellevue, Bothell, Duvall, Issaquah, Kirkland, Mercer Island, Newcastle, North Bend, Redmond, Renton, Sammamish, Snoqualmie and Woodinville. Artists living or working in other areas may still apply for other opportunities as they are advertised. It is up to the artist to determine their eligibility for the Eastside Artist Roster.
