

Project Update

Crosswalk upgrades on NE 8th Street at 95th and 98th Avenues NE

February 2025

The City of Bellevue Transportation Department is currently designing a project in your area to improve the safety of people walking and rolling. The project will improve existing pedestrian crossings at two (2) locations along NE 8th Street at the cross streets of 95th Avenue NE and 98th Avenue NE.

Project locations were identified for improvements through the city's Crosswalk Program and prioritized based on community concern, NE 8th St. traffic volumes, as well as the crossings' proximity to transit stops and the high-density area of downtown.

NE 8th St and 95th Ave NE

- Install new pedestrian flashing beacon
- Upgrade curb ramps to comply with the Americans with Disabilities Act (ADA)

NE 8th St and 98th Ave NE

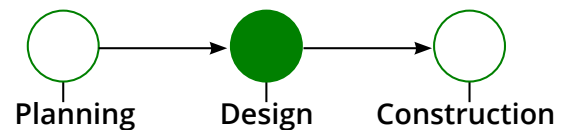

- Install new pedestrian flashing beacon
- Upgrade curb ramps to comply with the Americans with Disabilities Act (ADA).
- City proposes replacing the eastbound left turn lane from NE 8th St to Park Road with a median to calm traffic along NE 8th Street and provide a safer refuge for people using the crosswalk. Left turns to Park Road will still be allowed.

sample pedestrian flashing beacon + median

Project schedule

Design will continue through 2025 with construction anticipated to begin spring 2026 pending the availability of project funding.

Funding

The estimated project cost is \$1.1 million. Project funding is provided by the Neighborhood Safety, Connectivity and Congestion Levy.

Information

More details are available on the project webpage. BellevueWA.gov/NE-8th-street-crosswalk-upgrades
