

# PROJECT ON HOLD

## NE 40th Street Improvements – 140th Ave NE to 148th Ave NE

July 2025

The City of Bellevue Transportation Department has been working on a project to construct improvements along NE 40th Street, including sidewalks, bike lanes, repaving and landscaping. The design of the project has been completed, but construction is currently on hold due to funding constraints. Construction of the project will begin once additional funding is available. We do not have an estimate as to when that might be at this time.

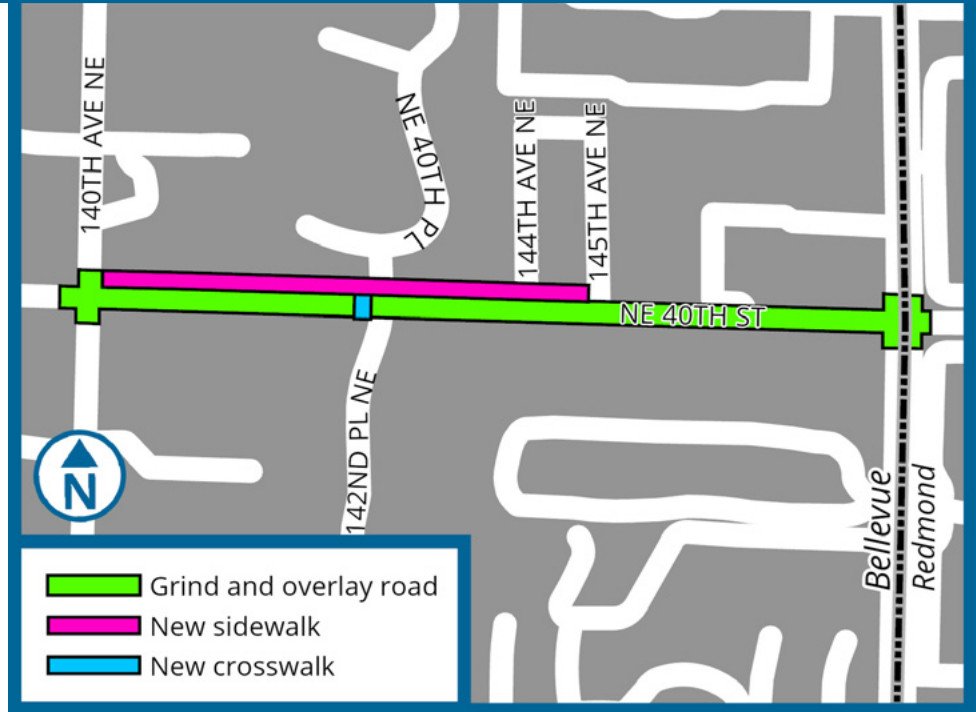

The project website below will be kept up to date and another project update mailer will be sent to addresses nearby once construction funding is secured and a timeline has been determined.
