2. Roll Call

All Board Members except Ms. Kaufman were present.

3. Public Comment

Alex Tsimerman expressed dissatisfaction with City government and the rules governing meetings.

4. Approval of Minutes

Ms. Briar moved to approve the minutes of the September 10, 2026 Special Meeting. The motion was seconded by Mr. Crosby and carried unanimously.

5. Consideration of Medical Claims

Mr. Treperinas referred to a claim from Member #139 for expenses related to a dental extraction.

Mr. Crosby moved to approve the claim for Member #139. The motion was seconded by Ms. Briar and carried unanimously.

Mr. Treperinas said the claim from Member #6 reflects monthly charges of $275 for nursing care, which he noted is typically covered by the total amount paid for long-term care facility

services. He said no one has responded to the City's request for documentation supporting the charges.

Ms. Robinson said she would like the facility to submit monthly billings. The claimant/facility is also requesting coverage for a list of over-the-counter medicines. Ms. Robinson noted that the list is not written as a prescription by a physician but appears to have been submitted by the facility.

Mr. Treperinas said the City receives a bill for approximately $10,000 per month and the City pays the maximum of $9,040.

Ms. Robinson suggested that the City not pay anything above the maximum amount and all Board members agreed.

Mr. Treperinas said the facility is a private home operated by a registered nurse. Ms. Robinson suggested verifying whether the facility is licensed.

Ms. Briar moved to deny the claim and to send a letter to Member #6 seeking more information and an itemization of the charges. The motion was seconded by Mr. Crosby and carried unanimously.
