

## Neighborhood Block Party Notification Acknowledgment Form

---

Neighborhood block parties are one way Bellevue builds resilient communities by supporting celebrations where residents can connect with one another, neighborhood associations, and city resources. Advance notification to neighbors is essential to making these events safe, enjoyable, and successful for everyone on the block.

**By your electronic signature of this form, you agree to the terms and conditions below.**

*I agree to notify in writing all residents impacted by the event's limited street closure. I will ensure that these notifications are provided no less than **two weeks** before the date of the event, so neighbors have adequate time to plan, ask questions, and share any concerns. I acknowledge that notifying my neighbors is my responsibility as the permit applicant, and that additional notification will not be provided by the City of Bellevue. I acknowledge that failure to provide advanced notification to impacted neighbors may result in the cancellation of the event and/or denial of future applications.*

*I will keep a copy of the notice sent to neighbors—whether email, letter, or flyer—and a list of the addresses notified. I will provide these documents to the city upon request. I agree to be considerate of my neighbors' concerns and will make reasonable accommodations when possible (including limiting noise caused by the event). I understand that neighbors who know one another help strengthen the quality of life, enjoyment, and safety for all Bellevue residents, and that timely, respectful communication is a key part of that.*
