Welcome to Summer Day Camps 2026

Summer in Bellevue is a time for exploration, friendship and unforgettable memories. We are excited to share the 2026 Summer Day Camp Guide with you and invite your family to discover the many ways to learn, play and grow this season.

Bellevue Parks & Community Services is made up of dedicated teams across parks, recreation, arts, culture and community services. Together, we create spaces and experiences that help build a healthy community. Our mission is to connect people to exceptional parks, natural areas and programs that support well-being and belonging. Our vision is simple and powerful: in Bellevue, everyone can connect to each other and to nature through experiences that help them live, grow and thrive.

This summer, campers can climb, create, explore, perform, paddle, cook, build and lead. Whether your child is meeting animals for the first time, trying a new sport, stepping onto the stage, riding local trails or diving into hands-on science and art, each camp is designed to spark curiosity and build confidence in a safe, supportive environment.

We believe equitable access to recreation is a right, not a privilege. Financial assistance is available, and we are committed to removing barriers so all children have the opportunity to participate. Our staff work every day to create welcoming, inclusive spaces where every camper feels valued and supported.

Thank you for choosing Bellevue Parks & Community Services. We look forward to a summer filled with growth, laughter and connection. See you at camp!
