Use Requirements

1. The child care service use must have received all necessary permit or approvals from the State of Washington Department of Early Learning.
2. The child care service use must have been inspected by the Washington State Fire Marshal's Office, and the operator must have committed to implement all required corrective measures within the stated period.
3. The operator must have granted the City of Bellevue permission to enter the property and to inspect the child care service use for compliance with the requirements of the Land Use Code and other applicable City ordinances.
4. The operator must have obtained a Registration Certificate as required by [Chapter BCC 4.09](#) (Business and Occupation Tax).
5. The child care service use may not display any sign in excess of the maximum number of signs and the maximum sign area allowed for the community facility in which the child care service use is housed.

Conditions

1. The City may impose conditions to mitigate any potential adverse impact on surrounding uses.
2. The City shall specifically consider the need to limit the hours of operation of the use.
3. The City shall establish the maximum number of children permitted in the child care service use at any one time.

I certify that I have read the use requirements and conditions listed above, that I have completed all actions required, that I grant to the City all necessary powers, and that I now comply and will continue to comply with all the above-listed requirements and conditions.
