

SE 4th Street to permanently close as part of Sound Transit's East Link Construction

To close in June 2017

What is happening?

As part of Sound Transit's East Link construction, SE 4th Street at 112th Avenue SE will permanently close in June 2017. The entrance will be used by construction vehicles and emergency response vehicles. As a result, you will not be able to drive, bike, or walk into or out of the Surrey Downs neighborhood at this location. The closure will remain in effect when construction is complete.

How do I get in or out of Surrey Downs?

You will be able to use the other three entrances to get in and out of Surrey Downs:

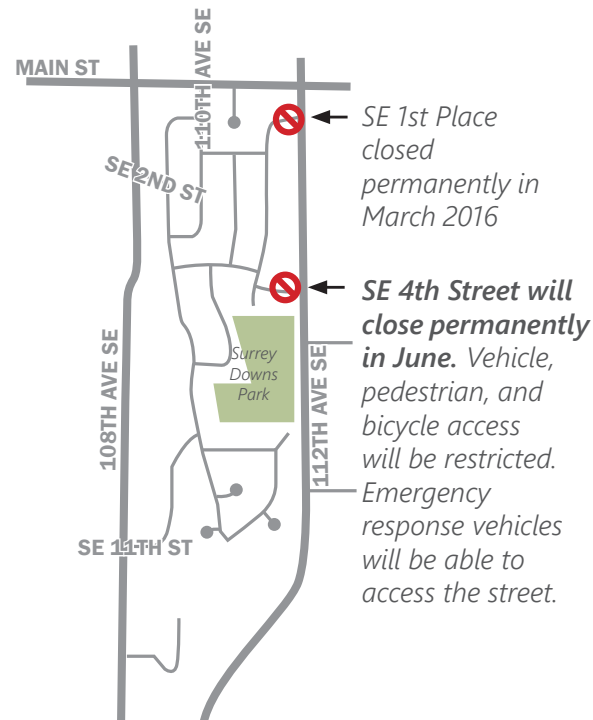

- 108th Avenue SE and SE 2nd Street
- 108th Avenue SE and SE 11th Street
- 110th Avenue SE and Main Street

When?

SE 4th Street will close as early as June 5, 2017.

What should I do?

Try a new route to get used to the change. Be sure to tell your visitors so they know how to access your home. Please drive responsibly in your neighborhood and be alert for people walking.
