

EAST BELLEVUE COMMUNITY COUNCIL

Packet Materials for
REGULAR MEETING

January 9, 2018

Welcome to Your East Bellevue Community Council Meeting

Community Council meetings offer you the chance to express your opinions to your elected officials. Community Council members welcome your participation and hope that the following information is helpful:

Oral Communications

Public participation is encouraged by the Community Council. On each agenda, Item 4 and 13 are set aside to allow you to speak on any subject you wish, except those subjects listed for public hearing. You must sign up in order to be recognized by the Chair. When you are called upon, stand up, give your name and address for the record, and state your views. Please speak loudly and clearly if you are in the back of the room so that your remarks will be audible on the recorder. If many people wish to speak, the Chair may decide to limit the amount of time allowed for each individual's comments in the interests of conducting the meeting in a reasonable and practical fashion. The Community Council will not respond to comments directly, but will take matters under advisement and will ask for staff to prepare a response when necessary.

Courtesy Public Hearing

A courtesy public hearing on a particular project gives the citizen, the applicant, and Community Council members an opportunity to review a project, ask questions, make suggestions, and express concerns prior to the formal processing of the application and the commencement of the Hearing Examiner process. Community Council members take no formal action at this time.

Courtesy public hearings are also held on proposed legislation, such as changes to the Comprehensive Plan. In this case, citizens have the opportunity to provide input to staff and elected officials in this informal setting. Such testimony does not take the place of an appearance before the Planning Commission, however.

If you wish to speak at a courtesy public hearing, sign your name on the sign up sheet and do as you would for "Oral Communications", i.e., stand up, state your name and address and present your views as briefly as possible. If you have no new information to be considered, simply say that you support or disagree with a previous speaker.

Public Hearing

State Statute allows the Community Council 60 days to approve or disapprove City Council ordinances or resolutions regarding land use matters within its jurisdiction. Disapproval means that the legislation does not apply within the Community Council service area, or that the project is denied. A public hearing is held before the decision is made. First, the staff makes a presentation and Council members ask their questions. Then the hearing is opened and the public is invited to comment. To speak, follow the procedures described above. Everyone who wishes to speak will have the opportunity to do so. After the last person has spoken, the hearing is closed. Then Council members discuss the issue and make their decision. The audience may not comment during the Community Council's deliberations unless invited to do so.

If you have any questions, feel free to call the City Clerk's office at (425) 452-6806.
