

Registered Sex Offenders

3/14/2019

The Bellevue Police Department is releasing the following information pursuant to RCW 4.24.550 and the Washington State Supreme Court decision in State v. Ward, which authorizes law enforcement agencies to inform the public of a sex offenders release, when in the discretion of the agency, the release of information will enhance public safety and protection.

HE/SHE IS NOT WANTED BY THE POLICE AT THIS TIME, this notification is not intended to increase fear; rather, it is our belief that an informed public is a safer public. The Bellevue Police Department has no legal authority to direct where a sex offender may or may not live. Unless court ordered restricts exist, these offenders are constitutionally free to live wherever they choose.

Sex offenders have always lived in our communities; it was the passage of the Community Protect Act of 1990 that law enforcement was notified where they were living. In many cases, law enforcement is now able to share some of that information with you. Citizen abuse of this information to threaten, intimidate or harass registered sex offenders will not be tolerated. Further, such abuse, could potentially end law enforcement's ability to do community notifications.

If you have information regarding current criminal activity of these or any other offenders, please call 9-1-1.
