Mission: Provide exceptional customer service, uphold the public interest and advance the community vision.

Vision: Be a collaborative and innovative organization that is future focused and committed to excellence.

Core Values: The five essential and enduring principles that guide our individual actions, our interactions, and our decision making in the City of Bellevue organization:

- Exceptional Public Service
- Stewardship
- Commitment to Employees
- Integrity
- Innovation

Adopted September 1999

<tbody>
<tr>
<td>We deliver outstanding service to the customer.</td>
<td>We preserve and embrace the community’s environmental, financial, human, and physical resources.</td>
<td>We value all employees and their contributions and treat each other with caring and respect.</td>
<td>We are trustworthy, truthful, and ethical.</td>
<td>We encourage and reward creative ideas and solutions.</td>
</tr>
<tr>
<td>We are committed to exceptional service for all of our customers. We demonstrate quality, caring, and sensitivity in every process, service, and product we deliver. We value the contributions of citizens and partners. Our community can expect open, fair, consistent, and responsive service.</td>
<td>We provide diligent and visionary management of all of the community’s resources: environmental, financial, human, and physical. We accept the responsibility for enhancing and preserving our resources and for balancing competing needs. We value the public trust and recognize that today’s decisions will determine tomorrow’s community.</td>
<td>The City invests in its employees and continually demonstrates how valuable each person is to the organization. We encourage and reward employee growth and development. We treat each other equitably and with caring, respect, and trust. We recognize each other’s contributions. We build on our commonalities and our differences. We believe that investing in employees fosters good government and quality public services.</td>
<td>Our leadership is centered on sound principles. We behave ethically, honestly, and fairly. We perform our work with steadfastness to truth, responsibility, and open communication. We adhere to visible values that are consistent throughout the organization.</td>
<td>We encourage and reward proactive, creative problem solving, planning, and service delivery. We continue our tradition of leadership. We are empowered to explore new ideas and introduce cutting-edge solutions. We support taking reasonable risks in order to find better ways to deliver our services.</td>

General Strategies:
- Provide high quality services and products effectively and efficiently.
- Provide the staffing and resources to enable quality levels of service.
- Emphasize collaboration and teamwork.
- Maintain effective public information processes.
- Provide easy access to City services and products.
- Use public involvement to connect with the community.
- Deliver services in partnership with community organizations and citizens.
- View customer feedback as essential.
- Ensure accountability by reporting on performance.
- Recognize the ethnic, economic, and cultural diversity of the community and provide alternative service modes to meet the differing needs of our residents.

General Strategies:
- Protect the environment and long-term community interests.
- Utilize proactive planning as an important community development resource.
- Continually explore whether community resources are being used appropriately and whether future resources are being enhanced.
- Use technology as appropriate to achieve the community’s goals.
- Communicate openly about resource issues.
- Fix rules and policies that don’t work.
- Develop mechanisms to make decisions when resource conflicts arise.
- Provide adequate resources into the future to maintain and operate existing community facilities and assets.
- Embrace improvement and work smarter.
- Be a regional player.

General Strategies:
- Foster an organizational culture that attracts, nurtures, and retains quality employees.
- Hire employees who will live the Core Values.
- Maintain staff resources to meet workload demands.
- Provide the appropriate resources for employees to do a quality job.
- Train employees to enhance personal and professional growth.
- Enhance opportunities for internal promotion.
- Foster open and honest interaction and communication among and between the Council, Leadership Team, management, and staff.
- Constantly recognize each other’s contributions.
- Assume the best of others.
- Conduct performance evaluations that are honest, fair, consistent, relevant, and timely.
- Publicize good work that the City and employees are doing.
- Listen to and act on concerns and input voiced by employees.
- Increase opportunities for celebration.
- Recognize the need for balance between work and personal life.

General Strategies:
- Live the City’s Core Values.
- Use Core Values to guide decision making.
- Contribute to an environment that is safe for open and honest dialogue.
- Receive open and honest communication in a positive way.
- Give each other positive feedback.
- Say what you do, do what you say.
- Set clear expectations and send clear messages.
- Solicit and welcome clarifying questions.
- Give a consistent message to all audiences.
- Take the risk to be honest.
- Admit and take responsibility for mistakes.
- Take responsibility to be part of the solution.
- Commit to consensus decisions.
- Measure how well the organization is implementing its Core Values.

General Strategies:
- Provide a free and open environment to brainstorm, incubate, and hatch new ideas.
- Provide a supportive means of evaluating new ideas for implementation.
- Empower employees to have more ownership of their work.
- Collaborate within and outside the work group and department to plan, problem solve, and create.
- Focus on the work, not the “turf,” and be interdisciplinary in working together.
- Involve those who should be involved.
- Recognize that a diverse workforce enhances creativity.
- Review City systems and processes to remove barriers to innovation and creativity.
- Reward employees for innovative ideas that are implemented.
- Accept risks and learn from our failures.
- Glean innovative ideas from other organizations.
