

Northeast Bellevue NEP Project Locations

Northwest Bellevue

Thank you for participating in the Northwest Bellevue Neighborhood Enhancement Program!

In September and October, 472 ballots were returned on the 17 proposed enhancement projects to receive Neighborhood Enhancement Program (NEP) funds. Two projects will be funded out of the \$315,000 Northwest Bellevue NEP allocation, which will also encompass associated planning, design, labor and materials fees.

Please also take a moment to complete the enclosed, prepaid NEP evaluation form, and mail it to us. Your feedback is critical to ensuring that the Neighborhood Enhancement Program is meeting your needs, as well as informing planning decisions, program improvement, and policy development. You can also complete the evaluation form online via the NEP website (bellevuewa.gov/nep). Kindly return your completed form by **December 27, 2018**.

As we begin the implementation phase, we encourage you to remain engaged in the process by contacting project managers to provide input, tracking the status of the projects on the NEP website, and enjoying the built work!

The following projects will be funded and implemented by the Neighborhood Enhancement Program over the following three to five years.

NW-17
Bellevue Way Landscape Enhancement
\$150,000 **305 points**

This project will provide for the beautification of the Bellevue Way streetscape on the west side of the boulevard that currently consists of common turf between curb and sidewalk and a mix of aging shrubs in right-of-way back of sidewalk. This project will remove the water inefficient turf, improve the soil and irrigation, and design and implement a landscape of plant combinations that will unify the streetscape of Northwest Bellevue. Opportunities on east side of Bellevue Way such as the Northtowne Park frontage will be researched for upgrades.

Project Manager: Tom Kuykendall (425-452-7924); TKuykendall@bellevuewa.gov. | Scott MacDonald (425-452-4852); SMacDonald@bellevuewa.gov

NW-14
100th Ave NE and NE 18th St Raised Intersection
\$160,000 **250 points**

This project will install a raised intersection at 100th Ave NE and NE 18th St to improve visibility of pedestrians crossing the street and encourage motorists to drive at a slower speed. The raised intersection will include high visibility school crosswalks and enhanced street lighting to improve safety at this key connection point for students walking to and from schools located on 98th Ave NE.

Project Manager: Reka Aczel (425-452-6133); RAczel@bellevuewa.gov
