

BELLEVUE
**PEDESTRIAN
& BICYCLE**
IMPLEMENTATION INITIATIVE

Help make Bellevue's streets safer for everyone!

Are there streets in Bellevue without adequate sidewalks or bicycle facilities? Does the behavior of people walking, bicycling, or driving in certain locations feel unsafe?

The City of Bellevue invites you to use the *Pedestrian & Bicycle Implementation Initiative* (PBII) wikimap to identify locations where you have noticed conditions or behaviors that are unsafe for people walking and bicycling. To participate visit:

<http://wikimapping.com/wikimap/bellevuewa.html>

The wikimap online survey tool, which will be available through October 31, allows users to locate an issue on a map, describe and evaluate the issue using a menu of options, choose a solution, make additional comments, and upload a photo of the location if desired. Your input could help lead to improvements!
