COMING SOON: A NEW WAY TO REGISTER FOR BELLEVUE PARKS & COMMUNITY SERVICES CLASSES AND ACTIVITIES

We have been working hard the past year preparing for a brand new activity registration and facility scheduling system, and are getting close to launching. The new system will make it easier than ever to register online for your favorite programs.

Gone will be the annoying web browser compatibility issues present in our current system that make online registration difficult. The new system, in addition to being optimized for your mobile device or tablet, will be compatible with contemporary web browsers.

We are still working to develop our 2018 activity registration schedules based on registration system implementation milestones. The best way to stay up-to-date on upcoming registration dates and opportunities to provide feedback on our registration system is by subscribing to our monthly e-newsletter. Visit parks.bellevuewa.gov/connections to sign up.

We hope you find the new registration system user friendly. For more information, or to sign up to help test the new system once it has launched, please email cwalker@bellevuewa.gov.

QUESTIONS OR COMMENTS?
Every effort is made to ensure that the information in this catalog is accurate at the time of publication. Because policies, personnel, and funding can change, Bellevue Parks & Community Services reserves the right to add or withdraw programs and to amend, revise, or modify any provision printed in this brochure.

You are encouraged to visit http://parksreg.bellevuewa.gov for the most up-to-date information. We’re always interested in knowing how we can make this publication better — contact Colin Walker, cwalker@bellevuewa.gov, or call 425-452-6885.

INCLEMENT WEATHER POLICY
In the event of inclement weather the City of Bellevue Parks & Community Services Department will make every effort to clearly communicate the status of facilities and programs, scheduled special events, and rentals. Administration will make an operational decision based upon the safety of participants and employees and the ability to appropriately staff programs and facilities.

As a general rule, if the Bellevue School District is closed due to a weather event all Parks & Community Services Department classes and programs will be cancelled for the entire day. If the Bellevue School District is on a delayed schedule, then call the facility for an updated status report. Select facilities may be open for drop-in activities at a modified level.

If you are unable to reach the facility, then call the Parks & Community Services Department general information number at 425-452-6885. Inclement weather can effect park use and trail conditions.

Please use caution when visiting park sites during poor weather as trails and other park facilities may become wet and slippery. Park trails may also be closed.

The Bellevue Youth Theatre program was founded in 1990 in the Crossroads area of Bellevue as an outreach program for disenfranchised youth. With proud roots as a recreational performing arts center, it has grown to serve youth, families, and people living with disabilities and seniors not only in Bellevue but in other Eastside communities as well.

The theatre presents 11 performances throughout the year, offering opportunities targeted for youth ages 11 to 19, while including other community members of all ages. Separate workshop and day camp programs are also offered. Annual involvement in the program has grown to include more than 900 individuals and more than 7,000 performance attendees.

Today the Bellevue Youth Theatre is a place where skills are learned, talents are discovered, creativity is expressed and community is strengthened. In March, 2015, Bellevue Youth Theatre opened the doors on its new, state-of-the-art theatre at Crossroads Community Park.

Most importantly, Bellevue Youth Theatre is a place where everyone has a role.

HELP! At the Bellevue Aquatic Center, our goal is to provide high quality, productive swim lessons for your children. Enrolling students in classes with others of similar abilities is vital in achieving this goal. To ensure that your child is enrolled in the best class for him/her, please retain your progress cards or ask for a placement test if they have not been in BAC lessons for 3 months. Children signed up at the incorrect level may be removed from the class.

YOGA FOR ADULTS 50+
Join us to find out why world-class athletes like Martina Navratilova say about yoga ‘I love the way it makes me feel physically and mentally, both while I am doing it and afterward. Yoga combines core strength and spine flexibility...I believe that yoga is keeping me young and flexible, especially in my back.’ Each class offers poses for stretching, active strengthening and deep relaxing. We focus on alignment for joint safety and use props to make poses accessible for many levels of experience and to help you progress individually. Benefits include: improved strength, flexibility and balance; reduced tension and worry; better bone, joint and weight health; increased mental clarity with an overall feeling of well-being. Outdoor Skate Facilities

**HIGHLAND OUTDOOR SKATE PLAZA**

*Newly Remodeled for 2017!*

14224 Bel-Red Road, 98007

This 13,000 square foot public skate plaza replicates some of the world’s favorite street skate-spots. Instead of half-pipes or bowls, it resembles everyday obstacles including various ledges, banks, stairs, hubbas, rails, benches, gaps and barriers. The park is also lit for evening skateboarding or rollerblading.

**LAKEMONT SKATE COURT**

Lakemont Community Park, 5170 Village Park Drive, 98006

Smaller than a traditional skate park, the outdoor skate court includes a pyramid, ledges, a wall-ride and other obstacles. Designed for skateboarding and rollerblading.

**CROSSROADS SKATE PARK**

Crossroads Community Center, 16000 NE 10th Street, 98008

This state-of-the-art bowl was built by world renowned Grindline Skate Parks. Empty swimming pools paved the way for one of the earliest genres of skateboarding in the ‘70s. This skate park was built to emulate a similar feel, but with modern additions. The massive bowl’s depths range from 4’ to 9’ 5” and features an over-vertical “clamshell,” multiple hips, escalators, tombstone and various coping made of steel and concrete.

---

**BELLEVUE INDOOR SKATEPARK**

14224 Bel Red Road, 98007

The newly renovated indoor Skate Park features a new Pro Shop and ramps for all levels, including a 3.5’ mini ramp, 8.5’ vert ramp, wall rides, banks, ledges, rails, a micro mini mega, and 28 feet of pool coping on its 6’ quarter pipe. The park provides a sense of community and ownership to all participants, regardless of age, experience or level of participation.

Bellevue’s first skate park was created in 1994 as part of a Youth Link project. It is renovated annually by skateboarders. Over 100,000 skateboarders have joined since the park opened. Now there are two skateboarding facilities at Highland Park — the original Bellevue Skate Park, an indoor haven for boarders to escape bad weather, and the Highland Skate Plaza, an outdoor space devoted to street skating.

**BELLEVUE SKATE PARK RENTALS**

The Bellevue Skate Park is a great place for a birthday party or a secret session. From private hourly park rentals to all inclusive birthday packages, we will make your party a hit. Call 425-452-2722 or email SK8@bellevuewa.gov for more information.

**BELLEVUE SKATE PARK LESSONS**

If you are just starting out, and you want to learn how to skateboard these lessons are for you. Let us show you how to ride ramps, drop-in, ollie and have fun skateboarding. Our experienced instructors will guide you step by step how to safely get up and begin skateboarding. You may be surprised how fast you learn from your one-on-one skate coach. Call or stop by for scheduling, information or to meet our instructors. Lessons increase self-esteem and confidence in and outside of the park. ALL AGES.

BELLEVUE’S HUMAN SERVICES PROGRAM

In 1986 the Bellevue City Council resolved that the city would act to ensure that the basic survival needs of Bellevue residents are met. The city serves as a planner, facilitator and funder for support systems that help people through economic and personal crisis and provide low- and moderate-income persons with opportunities to succeed.

The Human Services Division of the Parks & Community Services Department administers the Human Services Fund.

Bellevue takes one of the following three roles in human services, depending on the need:

Planner: assess and anticipate needs and develop appropriate policy and program responses.

Facilitator: convene and engage others in community problem-solving to develop and improve services.

Funder: disburse federal Community Development Block Grant and General Fund dollars to support a network of services which respond to community needs.

Bellevue’s human service funding is on a two-year cycle, with second-year funding contingent on contract performance and program outcomes. For more information about funding criteria and timelines, please contact grant coordinator Joseph Adriano by e-mail at JAdriano@bellevuewa.gov, or at 425-452-6165.

City of Bellevue representatives joined the Bellevue Rotary, civic leaders and the community at Bellevue Downtown Park on Wednesday, June 28 to celebrate the completion of the highly-anticipated last segment of the circular promenade and a new play area for children of all abilities.

More than 30 years after the promenade was designed for Bellevue’s iconic park, the gathering marked the closure of the Complete the Circle project, part of a 2008 voter-approved parks levy. An expanded play area has been transformed into the Inspiration Playground through a partnership with the Bellevue Rotary.

Construction has begun on the long-awaited Meydenbauer Bay Park, which will improve the connection between Bellevue's bustling downtown and its scenic Lake Washington waterfront.

With a quarter mile of waterfront, the 10-acre park considerably expands the current Meydenbauer Bay Beach Park. A large public swimming beach, pedestrian pier, historic whaling building and new beach house will make the park a destination for residents and visitors.

Meydenbauer Beach Park will be closed during the project, which is expected to be completed in late fall 2018.
