SUBJECT: Shelter Permitting LUCA - **Study Session Item 2a**

The below-listed items are being included in your desk packet to support the forth Study Session on the Permanent Homeless Shelter Permitting Amendments to the Land Use Code (LUC). These items do not include any new information that was not provided in the publicly released packet materials on May 17th.

The following documents are provided to assist the City Council during the policy conversation that is scheduled for this evening.

- Policy discussion materials regarding the Code of Conduct.
- Policy discussion materials regarding the Good Neighbor Agreement (GNA) Advisory Committee member composition and commitment.
- Land use district definitions to support the use chart discussion.
- Map in 11x17 format depicting the land use districts where shelter districts are proposed to be allowed in the Draft LUCA.
