

SUMMARY OF FINDINGS

Below is a summary of the data we collected on 140th Avenue NE north of NE 40th Street between 3/2/2017 and 3/8/2017.

ROADWAY CHARACTERISTICS

140th Avenue NE north of NE 40th Street is a minor arterial road with commuter traffic. The two-lane road is 27 ft wide. Along the road are residential properties and the Bellevue Golf Course. There is an asphalt walk path on the west side of the road separated by a planting strip from the travel lanes. The posted speed limit is 35 mph.

DAILY TRAFFIC

The Mid-Week Average on 140th Ave NE is 10,094 cars per day. Mid-Week Average includes data between Tuesday and Thursday.

COLLISION HISTORY

A three-year collision study was conducted along 140th Avenue NE from NE 40th Street to the Kirkland City limits. There was one collision reported at the 140th Avenue NE and NE 42nd Street intersection which involved a rear end collision.

RECOMMENDATIONS

Below are our recommendations for 140th Avenue NE based on the field reviews, data collection, and engineering analysis. More detail on these recommendations are outlined in the **Residential Traffic Guidebook** (Bellevuewa.gov/ResidentialTrafficGuidebook). By educating the community and encouraging safe driving, we can begin to change driver behavior and reduce vehicle speeds.

EDUCATE THE COMMUNITY

REDUCE EXCESSIVE VEHICLE SPEEDS

RADAR DOLLY

You can borrow and place a radar dolly on your street for up to two weeks. This unit gives motorists feedback on the speed at which they are driving on a digital reader board, encouraging them to obey the speed limit. Should you like to borrow the radar dolly, please request it by calling (425) 452-6457 or sign up on Bellevuewa.gov/RadarDolly. Once we receive a request, City staff will contact you to make arrangements for both the drop-off and pick-up of the radar dolly at your home.

TRAFFIC ENFORCEMENT

The Transportation Department works closely with the Bellevue Police Department to enforce speed limits and other traffic laws in neighborhoods. Using key traffic data provided by Transportation staff, officers focus their scheduled patrols on the times and places where speeding most often occurs. Typically, targeted enforcement occurs during a one week timeframe. Enforcement is also available by request. To request enforcement, go to <https://bellevuewa.gov/tsr> or call (425) 577-5656.

VISION ZERO

Bellevue’s Vision Zero initiative reflects the city’s commitment to reduce traffic deaths and serious injury collisions on city streets to zero by the year 2030. In 2015, the City Council passed a resolution providing a framework to achieve this goal. It states "the life, safety and health of residents, employees and visitors to Bellevue is the City Council's highest priority." **By participating in one of the recommendations above, you are helping the City of Bellevue in our efforts to make our streets safer for everyone.**

MORE INFORMATION

Find out more about these recommendations in our **Residential Traffic Guidebook** or by visiting the Neighborhood Traffic Safety Services website.
