#### KEY:

#### COLLISION HISTORY

A three-year collision study was conducted on the “loop” off 166th Avenue SE including SE 25th Street, 168th Avenue SE, and SE 27th Street. There were no reported crashes.

#### FIELD REVIEW

# RECOMMENDATIONS

Below are our recommendations for 168th Avenue SE near SE 26th Place based on the field reviews, data collection, and engineering analysis. More detail on these recommendations are outlined in the **Residential Traffic Guidebook** ([BellevueWA.gov/ResidentialTrafficGuidebook](http://BellevueWA.gov/ResidentialTrafficGuidebook)). By educating the community and encouraging safe driving, we can begin to change driver behavior and reduce vehicle speeds.

**EDUCATE THE COMMUNITY**

**REDUCE EXCESSIVE VEHICLE SPEEDS**

**IMPROVE PEDESTRIAN AND BICYCLE SAFETY**

## TRAFFIC SAFETY YARD SIGNS

This program involves lending communities portable signs that encourage motorists to respect the neighborhood, drive responsibly, and drive 25 mph. The signs are moved by community volunteers from place to place throughout the neighborhood every few days.

## RADAR DOLLY

You can borrow and place a radar dolly on your street for up to two weeks. This unit gives motorists feedback on the speed at which they are driving on a digital reader board, encouraging them to obey the speed limit. Should you like to borrow the radar dolly, please request it by calling (425) 452-6457 or sign up on [BellevueWA.gov/RadarDolly](http://BellevueWA.gov/RadarDolly). Once we receive a request, City staff will contact you to make arrangements for both the drop-off and pick-up of the radar dolly at your home.

# VISION ZERO

Bellevue’s Vision Zero initiative reflects the city’s commitment to reduce traffic deaths and serious injury collisions on city streets to zero by the year 2030. In 2015, the City Council passed a resolution providing a framework to achieve this goal. It states "the life, safety and health of residents, employees and visitors to Bellevue is the City Council's highest priority." **By participating in one of the recommendations above, you are helping the City of Bellevue in our efforts to make our streets safer for everyone.**

# MORE INFORMATION

Find out more about these recommendations in our **Residential Traffic Guidebook** or by visiting the Neighborhood Traffic Safety Services website.
