Traffic signals along Richards Rd will be optimized to improve traffic flow efficiency.

A marked crosswalk would be installed on the South leg of the intersection to enhance the appearance of the all-way stop.

Residents may request yard signs that inform motorists not to block their driveways.

To prevent commuters from avoiding the turn restriction, motorists will not be allowed to turn into SE 30th St.

Cars driving South on 128th Ave SE would not be allowed to turn left onto SE 32nd St from 5-7PM Monday-Friday.
