

City of Bellevue 2018 Community Development Block Grant Annual Action Plan

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The Annual Action Plan is a report that outlines how the City of Bellevue (“the City”) intends to spend its Community Development Block Grant (CDBG) entitlement in Program Year 2018. The Annual Action Plan is based on the 2015-2019 Consolidated Plan for Housing and Community Development which identifies the objectives and strategies that will guide the City’s investment. Objectives and strategies are fueled by the City’s goal of building an innovative, vibrant, and caring community.

2. Summarize the objectives and outcomes identified in the Plan

The broad objectives of the Plan follow the national objectives of the CDBG program:

- Activities benefiting low/moderate-income persons.
- Activities which aid in preventing or eliminating slums or blight.
- Activities meeting community development needs that have a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources do not exist to meet such needs.

The 2015-2019 Consolidated Plan supports projects that meet the national objective of benefiting low/moderate-income persons, and the Plan reflects that focus.

3. Evaluation of past performance

In 2017, CDBG funds were used to benefit many low-income Bellevue households and residents:

- Provided 67 low- and moderate-income individuals with home repair and home maintenance activities so that residents can remain in their homes free of safety concerns. Services were

provided through Sound Generations for minor home maintenance and a partnership between the City and King County Housing Authority for major home repair.

- 287 immigrants and refugees received resettlement services, including case management, social services, vocational English language courses, pre-employment and employment services, individual and family acculturation programs, and citizen services. These services were provided by Jewish Family Service.
- Provided CDBG funds for the purchase of kitchen appliances for the Bellevue Boys & Girls Club Teen Center, benefiting low- and moderate-income families in the Lake Hills neighborhood of Bellevue.

Thirty-six individuals were placed in unsubsidized employment, and over 9,100 hours of training were provided to low- and moderate-income residents served through CDBG Public Service funding of Jewish Family Service Refugee and Immigrant Service Center in Bellevue

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The goal of the citizen participation plan is to maximize opportunities for public comment on the City's use of Community Development Block Grant (CDBG) funds within the context of existing resources and regulatory requirements. The elements of the Plan are as follows.

1. Provide forums in which the public can give comments directly to the City on the use of CDBG funds.
2. Provide the general public with timely information about the City's CDBG program and opportunities to comment on the program and use of CDBG funds.
3. Provide special efforts to notify low- and moderate-income households about opportunities for community input.
4. Ensure access for persons with physical disabilities or mobility impairments.

Two public hearings were held to receive citizen input on housing & community development needs and the use of 2018 CDBG funds. Details of these hearings are included in Section AP-12, Participation.

5. Summary of public comments

Residents of Bellevue and representatives from community organizations attended a public hearing on February 23, 2017 to address housing and human services needs in Bellevue. Testimony focused on affordable housing needs, emergency services to prevent homelessness, the needs of seniors and the disabled, domestic violence, mental health services for immigrants & refugees, legal services for low-income residents, homelessness, and vocational services for the disabled.

On September 7, 2017, a public hearing was held to receive input on the proposed use of 2018 CDBG funds and general fund human services funds.

6. Summary of comments or views not accepted and the reasons for not accepting them

N/A

7. Summary

In summary, Bellevue residents, stakeholders, service providers and others consulted during the citizen participation process support the outcomes and objectives of the 2018 Annual Action Plan and the Consolidated Plan for Housing and Community Development.

PR-05 Lead & Responsible Agencies - 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
CDBG Administrator	BELLEVUE	Parks & Community Services Department

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Bellevue consulted with multiple entities, including East and North King County cities, the King County Housing Authority, and nonprofit agencies delivering services in Bellevue and the broader Eastside. Bellevue also closely consults and coordinates with the other direct entitlement jurisdictions in King County (Kent, Federal Way, and Auburn) as part of the King County HOME Consortium.

The City of Bellevue carries out homeless planning and coordination as a regional issue. Bellevue works with All Home, the Eastside Homelessness Advisory Committee (made up of consumers, providers, faith groups, and government agencies), our neighboring cities on the Eastside, mainstream systems, King County, service providers, United Way, and the private sector.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The City of Bellevue Human Services Division meets regularly with other jurisdictions in East, North, and South King County, and King County Housing Authority to develop strategies and implement plans to improve the quality of service and access for low-income residents in the city and throughout the region. Additionally, the City works with Public Health Seattle/King County on services to vulnerable populations. The City will continue to participate in All Home committee and affinity groups, and will participate in funding review panels for Continuum of Care (CoC), Emergency Shelter Grant and McKinney funding. Staff also participates on the King County MIDD (Mental Illness & Drug Dependency) Advisory Committee.

Among the service providers we work closely with are Congregations for the Homeless, Hopelink, Imagine Housing, The Sophia Way, Asian Counseling and Referral Service, Consejo Counseling and Referral, HealthPoint, and International Community Health Services.

Coordinated Entry for All (CEA) was approved by the All Home Board in March 2015. CEA provides a single point of entry for all homeless populations. Housing providers, funders and government agencies provide support to this program. The City encourages homeless service and housing providers under contract with the city to participate in Coordinated Entry and Bit Focus, the Seattle/King County Homeless Information Management System (HMIS) program.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City works closely with All Home and King County in addressing the needs of people experiencing homelessness. City staff serve on All Home Affinity Groups (Single Adults & Veterans, Youth & Young Adults, Families with Children), the Funders Alignment Committee, and provide support to elected officials on the Coordinating Board. Bellevue staff also works closely with other cities' staff who attend the Coordinated Entry for All Policy Committee and the System Performance Committee. Staff will also track the allocation of funds and services to be provided by the King County Veterans, Seniors & Human Services Levy.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City does not receive ESG funds. ESG funds are administered by King County and All Home as the local Continuum of Care, and staff works closely with County staff to develop funding and policies for these funds, including serving on application review committees.

2. Agencies, groups, organizations and others who participated in the process and consultations

Table 2 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	Eastside Homelessness Advisory Committee
	Agency/Group/Organization Type	Regional organization
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	City staff attend monthly Eastside Homelessness Advisory Committee (EHAC) meetings to get their input and to learn about the needs and concerns of those serving the homeless. This input received from those providing services is used in drafting the City's funding priorities.
2	Agency/Group/Organization	HOPELINK
	Agency/Group/Organization Type	Housing Services - Housing Services-Homeless Services-Education Services-Employment
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Strategy Non-Homeless Special Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in the biennial Needs Update needs assessment process. Hopelink is also consulted throughout the year regarding homeless and human services needs.

3	Agency/Group/Organization	KING COUNTY HOUSING AUTHORITY
	Agency/Group/Organization Type	PHA
	What section of the Plan was addressed by Consultation?	Public Housing Needs Non-Homeless Special Needs Lead-based Paint Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Participated in the biennial Needs Update needs assessment process. KCHA's work in the Major Home Repair program enables the City to maintain affordable housing and to keep elderly, low-income residents in their homes.

AP-12 Participation - 91.401, 91.105, 91.200(c)

**1. Summary of citizen participation process/Efforts made to broaden citizen participation
Summarize citizen participation process and how it impacted goal-setting**

The Bellevue Human Services Commission holds two public hearings each year to receive public input on human services needs and the allocation of CDBG funds. This input is taken into account when drafting the annual action plan and its goals. The following two public hearings were held as part of the public process in creating the 2018 Annual Action Plan:

The public hearing on housing, community development and human services needs was held on February 23, 2017. The public comment period was February 7 – February 23, 2017.

The public hearing on the proposed use of 2018 CDBG funds was held on September 7, 2017. The public comment period was August 23 – September 7, 2017.

The public comment period for the draft 2018 Annual Action Plan was January 23, 2018 – February 23, 2018. No comments were received.

A second public comment period was held when an additional project was added to the draft 2018 Annual Action Plan. This comment period was June 7, 2018 – July 7, 2018. No comments were received.

Expected Resources

AP-15 Expected Resources – 91.420(b), 91.220(c) (1, 2)

Introduction

The City of Bellevue anticipates having the following funding sources available over the last two years of the Consolidated Plan (2018 and 2019):

-CDBG

-Human Services Fund (General Fund allocation of the City of Bellevue)

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 4				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	754,998	300,000	353,197	1,054,998	754,998	We expect future entitlement amount to be similar to our 2018 amount.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 4				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
General Fund	public - local	Public Services	3,400,000	0	0	3,400,000	3,400,000	The City allocates resources to human services through its General Fund. This is currently about \$3.4 million per year.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

CDBG funds do not require a match. CDBG funding for public services and public facility projects is a portion of the total funding required. Other funding is secured for those projects, and CDBG can serve as leverage.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan N/A

CONTINGENCY PLAN:

GREATER AMOUNT THROUGH ENTITLEMENT AND OTHER FUNDS AVAILABLE FOR CDBG EXPENDITURE

If the actual amount of the entitlement award from HUD in 2018 plus program income and other funds available for CDBG expenditure is greater than the estimated amount of \$895,152, additional funds will be allocated as follows:

Step 1. If the increase in funding results in additional funds available under the Planning and Administration spending cap, then more funding can be allocated to Planning and Administration up to the cap if staff determines it can be spent during the program year.

Step 2. If the increase in funding results in additional funds available under the Public Services spending cap, then more funding can be allocated to Public Services projects up to the cap if they can demonstrate the need and capacity to expend both awarded and any additional funds during 2018.

Step 3. Award additional funds to the Major Home Repair program if the program can demonstrate need and capacity to expend both awarded and any additional funds during 2018.

- This determination may occur at any time upon conferring with Major Home Repair staff, even after the execution of a contract for 2018 funds.

Step 4. Should additional funds remain after Steps 1 - 3, award an amount to Sound Generations Minor Home Repair program if they can demonstrate that the project can expend both awarded and any additional funds during 2018.

- This determination may occur at any time upon conferring with Sound Generations staff.

Should it be necessary to cancel a CDBG-funded project to comply with CDBG regulations or due to the inability to spend the award in a timely manner, the funds from the canceled project can be reallocated to another funded project if it can demonstrate the need and capacity to expend both the awarded and additional funds in a timely manner. If no other funded project can expend the funds from the canceled project, then the funds will become part of the CDBG reserves to be allocated during a future program year, or can be allocated to new projects contingent upon City Council approval

LESSER AMOUNT THROUGH ENTITLEMENT AND OTHER FUNDS AVAILABLE FOR CDBG EXPENDITURE

If the actual amount of the entitlement, program income and other funds available for CDBG expenditure in 2018 is less than the estimated amount of \$895,152, the difference will be deducted in the manner listed below.

Step 1. Comply with federal statutory spending caps.

- If the actual amount causes the recommended awards for the Public Service activities to exceed the federal statutory spending cap on such activities, awards for these programs will be reduced by an equal percentage to a level that is within compliance with the cap; and
- If the actual amount causes the recommended awards for the Administration and Planning activities to exceed the federal statutory spending cap on such activities, awards for these programs will be reduced by an equal percentage to a level that is within compliance with the cap.

Step 2. Reduce the Sound Generations Minor Home Repair award to no less than \$80,000.

Step 3. Reduce the Major Home Repair award by the remainder of the difference.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives - 91.420, 91.220(c)(3)&(e)

Goals Summary Information

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
1	Owner Housing	2015	2019	Affordable Housing		Maintain Affordable Housing	CDBG: \$588,634 General Fund: \$0	Homeowner Housing Rehabilitated: 70 Household Housing Unit
5	Public Services	2015	2019	Homeless Non-Housing Community Development		Community Development	CDBG: \$177,679 General Fund: \$56,129	Public service activities other than Low/Moderate Income Housing Benefit: 665 Persons Assisted

Table 6 - Goals Summary

Goal Descriptions

1	Goal Name	Owner Housing
	Goal Description	<p>The greatest barrier to affordable housing in the Bellevue community is the high cost of both renter and owner housing. Often, low- and moderate income homeowners maintain their residence while sale prices skyrocket around them. As homes weather over time, they require repair and maintenance. For those with low incomes, repairs for safety issues can mean the difference between keeping a roof over their head or losing their property while being unable to compete in the real estate market.</p> <p>The City will continue to provide financial assistance to low- and moderate-income residents for maintaining or repairing the health and safety features of their homes through the Housing Repair Program, or similar programs.</p>
5	Goal Name	Public Services
	Goal Description	<p>The City's Comprehensive Plan calls for resources and services to be accessible to its residents. We will enhance quality of life for families and individuals by supporting health and human services which predominantly serve low- and moderate-income households.</p>

Table 7 – Goal Descriptions

AP-35 Projects - 91.420, 91.220(d)

Introduction

The City devotes 100% of CDBG funds to housing and human services programs that benefit low- and moderate-income individuals.

#	Project Name
1	KCHA Major Home Repair Program 18
2	KCHA Major Home Repair Admin 18
3	Sound Generations Minor Home Repair 18
4	Jewish Family Service Refugee & Immigrant Services 18
5	CDBG Administration 18
6	CDBG Planning 18
7	Bellevue Boys & Girls Club Computer Labs for Youth

Table 8 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City devotes 100% of CDBG funds to housing and human services programs that benefit low- and moderate-income individuals. The City prioritizes the maintenance of our affordable housing stock, including maintaining the ability of low- and moderate income households to remain in their homes in our community which over time becomes increasingly unaffordable relative to the region. This comes in the form of home rehabilitation (KCHA) and minor home maintenance (Senior Services) so that these households are safe to occupy.

In addition, CDBG will support the development of community public services to benefit low- and moderate-income residents. These include skills training available through Jewish Family Services - Refugee and Immigrant Service Center, and computer labs for youth at Bellevue Boys & Girls Club's locations at public housing sites.

The prioritization of these services and projects is based in large part on the City's biennial needs assessment process, called the Needs Update. The Needs Update over the past decade continually identifies affordable housing and homelessness and high needs in our community, along with access to needed human services such as skills training and child care. The Needs Update is supported through CDBG Planning allocations.

Finally, overall administration of these projects is supported by CDBG funds.

AP-38 Project Summary

Project Summary Information

Project Summary Information					
No.	Project	Goals Supported	Geographic Areas	Needs Addressed	Funding
1	KCHA Home Repair Program 18	Owner Housing		Maintain Affordable Housing	CDBG : \$372,000
	Description	The National Objective for this project is LMH (Low/Mod Housing), 570.208(a)(3). The Eligible Activity is Rehabilitation of Single-Family Residence, 570.202(a)(1). Process loans and grants allowing low- and moderate-income Bellevue homeowners to make life and safety-related repairs to their homes.			
	Target Date for Completion				
	Estimate the number and type of families that will benefit from the proposed activities	Approximately 35 low- and moderate-income households will benefit from this program			
	Location Description	Locations will vary throughout the city.			
	Planned Activities	Process loans and grants allowing low- and moderate-income Bellevue homeowners to make life and safety-related repairs to their home.			
2	KCHA Major Home Repair Admin 18	Owner Housing		Maintain Affordable Housing	CDBG : \$118,784
	Description	The National Objective for this project is LMH (Low/Mod Housing), 570.208(a)(3). The Eligible Activity is Administration for Rehabilitation of Single-Family Residence, 570.202(a)(1.)Provide deferred and no-interest loans and grants to assist low- and moderate income homeowners to make health and safety related improvements to their homes. This project is for the administration of the Major Home Repair program.			
	Target Date for Completion				
	Estimate the number and type of families that will benefit	Approximately 35 households will benefit from this program.			

	from the proposed activities	
	Location Description	Locations will vary throughout the city.
	Planned Activities	Administrative support to provide deferred and no-interest loans and grants to assist low- and moderate-income homeowners to make health and safety-related improvements to allow them to stay in their homes.

3	Sound Generations Minor Home Repair 18	Owner Housing		Maintain Affordable Housing	CDBG : \$97,850
	Description	The National Objective for this project is LMH (Low/Mod Housing), 570.208(a)(3). The eligible activity is Rehabilitation of Single-Family Residence, 570.202(a)(1). Provides low-cost electrical, plumbing, carpentry, and other maintenance activities to Bellevue homeowners who are low-income, elderly or disabled.			
	Target Date for Completion				
	Estimate the number and type of families that will benefit from the proposed activities	Approximately 35 households will benefit from this program.			
	Location Description	Locations will vary throughout the City.			
	Planned Activities	Provides low cost plumbing, electrical, carpentry, and other maintenance activities to Bellevue residents who are low-income, elderly, or disabled.			

4	Jewish Family Service - Refugee & Immigrant Services 18	Public Services		Community Development	CDBG : \$130,649
	Description	The National Objective for this project is LMC (Low/Mod Limited Clientele), 570.208(a)(2). The Eligible Activity is Public Services, 570.201(e). The Refugee and Immigrant Service Center (operated by Jewish Family Service) provides employment support specifically to immigrant and refugee populations. Individuals access English-as-a-Second language classes and employment counseling and case management in their own language, delivered by a counselor of similar ethnic background.			
	Target Date for Completion				

Estimate the number and type of families that will benefit from the proposed activities	Approximately 265 residents will benefit from this project.
Location Description	Services will be provided at the Jewish Family Service Bellevue office at 15446 Bel-Red Rd, Suite B-15, Redmond, WA 98052.
Planned Activities	JFS Refugee and Immigrant Service Centers(RISC) provide resettlement services for refugees and immigrants, including individual and family assessment and case-management, social services, Vocational English Language classes, preemployment and employment services, individual and family acculturation programs, and citizenship services.

5	CDBG Administration 18				CDBG : \$24,501
	Description	The Eligible Activity is Administration & Planning, 570.206. Funds are used to administer the CDBG program for the City of Bellevue.			
	Target Date for Completion				
	Estimate the number and type of families that will benefit from the proposed activities				
	Location Description				
	Planned Activities	Funds are used to administer the CDBG program for the City of Bellevue.			

6	CDBG Planning 18				CDBG : \$105,782
	Description	The Eligible Activity is Administration & Planning, 570.206. Provides resources to adequately plan for and anticipate human services needs for Bellevue residents. In addition to supporting the development of the Bellevue Human Services Needs Update, Community Development Block Grant Planning funds are used to support regional human services planning efforts and provide technical assistance to build the capacity of non-profit agencies.			
	Target Date for Completion				

Estimate the number and type of families that will benefit from the proposed activities	
Location Description	
Planned Activities	Provides resources to adequately plan for and anticipate human services needs for Bellevue residents.

Bellevue Boys & Girls Club Computer Labs for Youth				CDBG : \$47,000
Description	Purchase of equipment to support the delivery of a public service is an eligible activity per 570.207(b)(1)(iii). Providing access to computers as part of the Boys & Girls Club programming for youth is an eligible public service per 570.207(b)(1)(3).			
Target Date for Completion				
Estimate the number and type of families that will benefit from the proposed activities	Approximately 400 residents will benefit from this project.			
7 Location Description	Services will be provided at the following King County Housing Authority locations: Eastside Terrace, 704 147 th Place NE, Bellevue, WA 98007 Hidden Village, 1408 SE 24 th Street, Bellevue, WA 98007 Spiritwood Manor, 1424 148 th Avenue SE, Bellevue, WA 98007			
Planned Activities	Provides computers, printers and other equipment necessary to provide the public service of giving low-income youth access to computers for the Project Learn program as well as training in tech and STEM subjects.			

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

CDBG assistance will not be specifically directed to only particular areas. The City of Bellevue does not exhibit specific areas of either significant low-income or minority concentration. The city as a whole is fairly diverse ethnically. When mapped, households identifying as racial minority and/or Latino heritage have higher percentages along the geographic center of the city as well as higher percentages in neighborhoods south of Interstate 90. Households with lower median incomes also tend to live generally north of I-90 in areas running southwest to northeast across the city's geographic center.

While there are areas of the city where low-income proportions are slightly higher than average when contrasted with the rest of the city, we do not believe the differences are significant enough to warrant specific assignment of resources to one area to the exclusion of others. In Bellevue, low-income residents can be found in census tracts across the city, and projects funded through CDBG are available to such residents wherever they reside in our community.

Geographic Distribution

Target Area	Percentage of Funds
N/A	

Table 9 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

As mentioned above, in Bellevue, low-income residents can be found in census tracts across the city, and projects funded through CDBG are available to such residents wherever they reside in our community.

Discussion

While the City of Bellevue does not make CDBG funding decisions based exclusively on a particular area of the city, households with lower median incomes tend to live generally north of I-90 in areas running southwest to northeast across the city's geographic center.

Thus, for example, while many of the residents who qualify for the City's Home Repair program may live in those areas, the program is for all Bellevue residents. The program serves residents from across the city. The same can be said of other programs funded by the City through CDBG or through its Human Services Fund. We believe need exists throughout the city, not just in one neighborhood. Moreover, if we were to focus just on one neighborhood and pour all of our resources into such a focus area, it may be that we would do so to the exclusion of others in need who may not reside in that focus area. The City has chosen not to approach its priorities geographically.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

Actions taken by the City are based on the Council-approved Comprehensive Plan.

Actions planned to address obstacles to meeting underserved needs

- Build public awareness and engage the community in an informed and collective response by assessing and planning for human services needs. [Bellevue Comprehensive Plan Policy HS-1]
- Identify opportunities and develop strategies that are preventive in their approach to human services needs. [Bellevue Comprehensive Plan Policy HS-3]
- Maintain the City's role as a human services planner and facilitator by engaging service providers and community organizations in dialogue regarding the functioning of the present service systems, emerging needs, and the building of a complete system of services. [Bellevue Comprehensive Plan Policy HS-5]

Actions planned to foster and maintain affordable housing

Preserve and expand the supply of affordable housing for low- and moderate-income households. Support a broad mix of housing initiatives and programs designed to increase the supply of affordable housing and access to it.

- Work cooperatively with King County, A Regional Coalition for Housing (ARCH) and other Eastside jurisdictions to assess the need for, and to create, affordable housing. [Bellevue Comprehensive Plan Policy HO-22]
- Provide incentives and work in partnership with not-for-profit and for-profit developers and agencies to build permanent low- and moderate-income housing. [Bellevue Comprehensive Plan Policy HO-26]
- Explore all available federal, state, and local programs and private options for financing affordable housing. [Bellevue Comprehensive Plan Policy HO-28]
- Support regional efforts to prevent homelessness, and make homelessness rare, brief, and one time when it occurs. Provide a range of affordable housing options and support efforts to move homeless persons and families to long-term financial independence. [Bellevue Comprehensive Plan Policy HO-35]
- Ensure culturally competent service delivery that respects the dignity of individuals and families, and fosters self-determination and self-sufficiency. [Bellevue Comprehensive Plan Policy HS-11]
- Ensure that all affordable housing created in the city with public funds or by regulation remains

affordable for the longest possible term. [Bellevue Comprehensive Plan Policy HO-30]

- Encourage preservation, maintenance and improvements to existing affordable housing. [Bellevue Comprehensive Plan Policy HO-27]
- Provide financial assistance to low- and moderate-income residents for maintaining or repairing the health and safety features of their homes through the Housing Repair Program, or similar programs. [Bellevue Comprehensive Plan Policy HO-6]

Actions planned to reduce lead-based paint hazards

All existing housing units assisted with CDBG funds through our Home Repair Program will be subject to lead-based paint hazard inspection procedures required by 24 CFR Part 35. The City offers a special grant within the Home Repair Program to assist homeowners in minimizing or abating lead-based paint hazards in their homes. The City will continue to work with other home repair programs in Western Washington and staff from the Washington State Department of Commerce Lead Program to learn about any new rules regarding the training and certification in safe work practices for area contractors. The City will also encourage contractors to attend Safe Work Practices training sessions for local renovation and remodeling contractors, as provided by King County. Lead paint testing, as required by HUD, is also conducted as needed, and an Environmental Review is completed on each home prior to funding.

Actions planned to reduce the number of poverty-level families

In an effort to reduce poverty and increase the quality of life of Bellevue residents, the City devotes 100% of CDBG funds to housing and human services programs that benefit low- and moderate-income individuals. In addition, the City invests a portion of its General Fund to additional human services programs. Services include employment skills training and child care for those who obtain work.

The City's goal in human services funding, as stated in the Comprehensive Plan, is to create a community in which all members have the ability to meet their basic physical, economic and social needs and the opportunity to enhance their quality of life.

Actions planned to develop institutional structure

The City will continue to invest in developing and maintaining affordable housing for low- and moderate income individuals, through its support of the Eastside's housing trust fund. The City will continue to work with private partners (e.g., nonprofit organizations and housing developers, and willing for-profit business concerns when they emerge) and our public partners, including our peer jurisdictions in North, East, and South King County, King County Housing Authority, and King County to continue investing in and building a support service network that overcomes the aforementioned gaps and addresses our

priority needs.

The City continues to work with community-based coalitions such as the Alliance of Eastside Agencies, the Eastside Homelessness Advisory Committee, the Eastside Human Services Forum, King County All Home, the Eastside Refugee and Immigrant Coalition, the Bellevue Network on Aging, and many others wherein we staff or hold leadership positions. Together, we work with community organizations and other units of government to continue to develop the institutional and service structure of our community.

Actions planned to enhance coordination between public and private housing and social service agencies

The City maintains close business relationships with the King County Housing Authority, Imagine Housing, the YWCA, Attain Housing, Catholic Community Services, and other private nonprofit housing developers in Bellevue and on the Eastside. We work with them side-by-side along with ARCH to plan projects and scope the support services that will be needed to support the households residing in housing once the project is complete. This requires our coordination between nonprofit affordable housing developers, ARCH, and the network of support services in our community. Many of these discussions begin at the Eastside Homelessness Advisory Committee meetings which Bellevue staff attend. Further development occurs at the Eastside Human Services Forum, where a Bellevue City Council member sits on the board and where our department provides staff support. Around these tables, the aforementioned parties meet to strategize the best ways to develop affordable housing that comes with support services needed to promote the long-term stability and success of residents.

AP-75 Action Plan Barriers to Affordable Housing – 91.420,91.220(j)

Introduction

The City is a partnering with the King County Consortium to develop an Analysis of Impediments to Fair Housing (AI). This group will evaluate the barriers to fair housing choice, affordability, accessibility, and availability. The AI will be submitted with the 2020-2024 Consolidated Plan.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment:

The City is a partnering with the King County Consortium to develop an Analysis of Impediments to Fair Housing (AI). This group will evaluate the barriers to fair housing choice, affordability, accessibility, and availability. The AI will be submitted with the 2020-2024 Consolidated Plan.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	300,000
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	300,000

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

Discussion

The amount of program income that will have been received but not reprogrammed is difficult to project. All of the program income comes from the Home Repair Program and is dependent on the real estate market (e.g., homeowners selling their homes) and also attrition (when homeowners pass away and their properties are sold). We will not know the exact amount of 2018 program income until the end of the year.
