

Neighborhood Safety, Connectivity and Congestion Levy

2019-2020 Project List*

Project ID and Project Description

Approved by City of Bellevue voters in November 2016, the 20-year, Neighborhood Safety, Connectivity and Congestion levy helps the city address a backlog of neighborhood safety, connectivity, sidewalk, bicycle, technology, congestion reduction and maintenance projects. Projects originate from established plans and work plans. There are 46 projects scheduled to begin work in 2019-2020 across six categories:

- Bike (BK)
- Congestion (CG)
- Maintenance (MT)
- Safety (SF)
- Sidewalk (SW)
- Traffic Technology (TT)

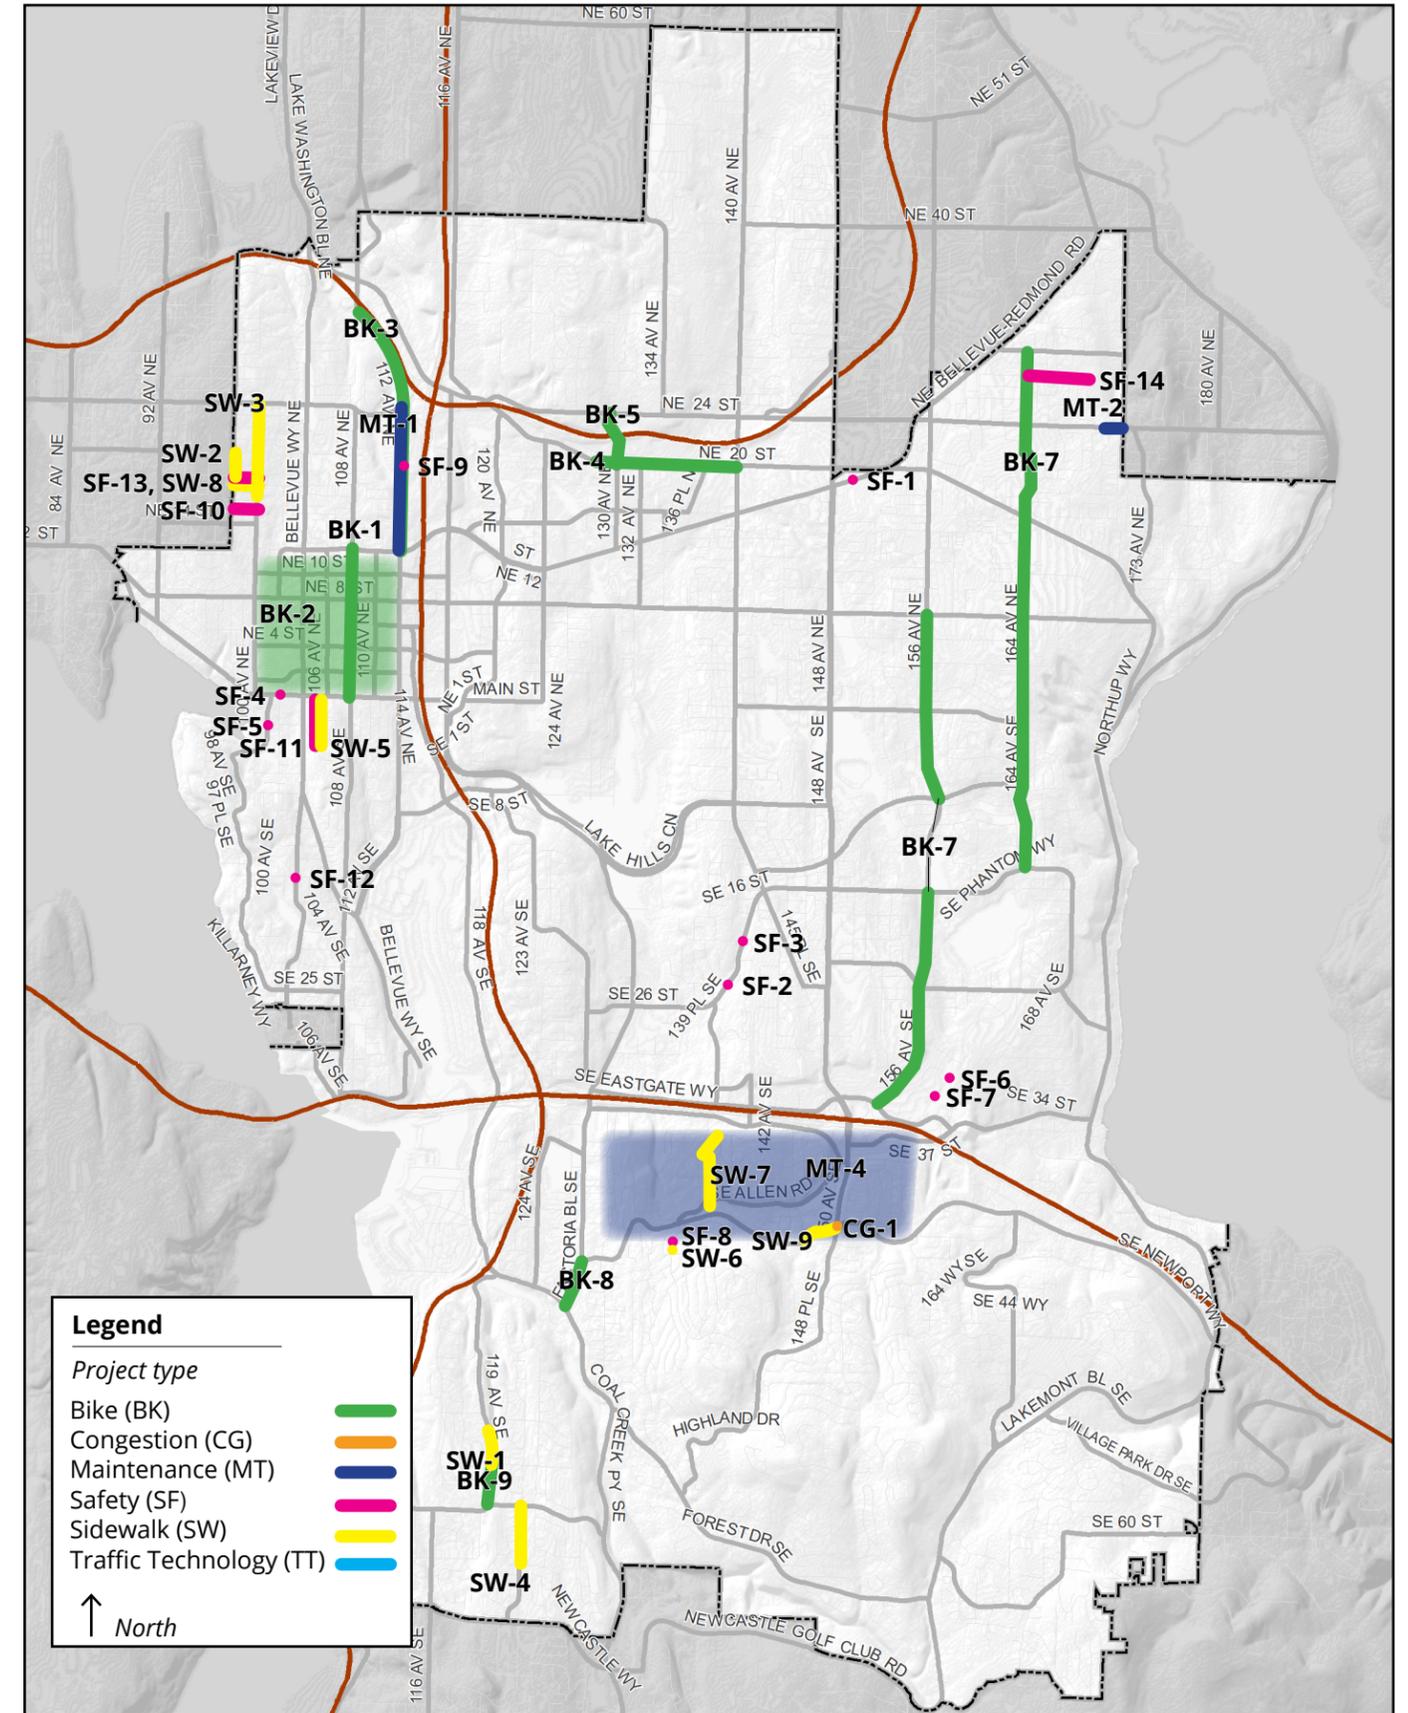

If you have a project idea, contact transportationlevy@bellevuewa.gov to get connected with the appropriate program manager.
