

Neighborhood Enhancement Program

BT-22: Cherry Crest Elementary Intersection Improvements *Bridle Trails*

cost \$40,755

location Corner of 124th Ave NE and NE 32nd St (Cherry Crest School entrance)

Description: This project would enhance the three-leg intersection to encourage stop compliance and a safer pedestrian crossing condition. Includes the installation of a new streetlight on southwest corner of 124th Ave NE and NE 32nd St. Also includes the replacement of existing STOP signs with flashing STOP signs to enhance visibility. Crosswalk paint inside of existing north-south crosswalk would be added.
