

Bridle Trails NEP Project Locations

Bridle Trails

Thank you for participating in the Bridle Trails Neighborhood Enhancement Program!

In June and July, 470 households submitted ballots on the 29 proposed enhancement projects to receive Neighborhood Enhancement Program (NEP) funds. A total of **three projects** will be funded out of the \$370,000 Bridle Trails NEP allocation, which will also encompass associated planning, design, labor and materials fees.

Please take a moment to complete the enclosed, prepaid NEP evaluation form, and mail it to us. Your feedback is critical to ensuring that the Neighborhood Enhancement Program is meeting your needs, as well as informing planning decisions, program improvement, and policy development. You can also complete the evaluation form online via the NEP website (<http://www.bellevuewa.gov/nep>). Kindly return your completed form by October 20, 2018.

As we begin the implementation phase, we encourage you to remain engaged in the process by contacting project managers to provide input, tracking the status of the projects on the NEP website, and enjoying the built work!

The following projects will be funded and implemented by the Neighborhood Enhancement Program over the following three to five years.

BT-5 Enhanced Walkway on NE 40th Street between 140th Ave NE and 146th Ave NE
\$75,750 **305 points**

This project will provide for re-striping effort on NE 40th Street to narrow existing travel lanes, add painted buffer area on the south side of the street, install raised pavement markers (RPMs) inside of buffer, install extruded curb in buffer, and install pedestrian symbol pavement markings to enhance existing shoulder into a marked walkway. This walkway will connect the Bridle Trails neighborhood pedestrians to the sidewalk on 146th Avenue NE, which continues to 148th Avenue NE and eventually to the Microsoft campus. New travel lane width will be 10-feet in each direction, which will add a traffic calming element to the road.

Project Manager: Chris Iverson (425-452-6461); Clverson@bellevuewa.gov

BT-22 Cherry Crest Elementary Intersection Improvements
\$40,755 **248 points**

This project will enhance the three-leg intersection to encourage stop compliance and a safer pedestrian crossing condition. Includes the installation of a new street light on southwest corner of 124th Avenue NE and NE 32nd Street. Also includes the replacement of existing STOP signs with flashing STOP signs to enhance visibility. Crosswalk paint inside of existing north-south crosswalk will be added.

Project Manager: Chris Iverson (425-452-6461); Clverson@bellevuewa.gov

BT-20 Cherry Crest Mini Park Improvements
\$234,000 **178 points**

This project will provide for various park improvements including:

General Improvements: Power washing of entire park site, refinish of trellis at entry, repaint of handrails and concrete wall letter blocks at picnic area, installation of a bike rack.

Playground Area Improvements: Relocation and replacement of water fountain (and addition of pet fountain), replacement of play equipment and digger, replace poured-in-place surface at play areas, removal of concrete letter blocks at play area and extend knee wall.

Court Areas: Power wash courts, replace the basketball backboards and restripe court, replace the tennis court windscreen, restripe the tennis court and add striping for pickleball, refinish tennis court benches.

Project Manager: Lynde Wallick (425-452-2932); LWallick@bellevuewa.gov
