WELCOME TO THE FITNESS CENTER AT NBCC

Get a jump start on incorporating fitness and wellness into your life at our community-focused fitness center. A daily drop-in fee or one of our many pass options gives you access to this 930-square foot center equipped with state-of-the-art cardio and strength training equipment.

Let's Get Started

The first step is to visit the front desk and pick up a "PAR-Q-Physical Activity Readiness Questionnaire." This is for your personal use only, and does not need to be signed and returned to NBCC. Please read the questions carefully, answer them honestly, and consider the recommendations for your personal safety.

The next step is to attend a Fitness Center Orientation. All adults and youth are required to attend this 30-minute class prior to using the Fitness Center. The Orientation will cover our policies and procedures, step-by-step instruction on using cardio and weight training equipment properly, general principals of exercise, and will give you a chance to meet our fitness staff. No sign-up needed, just meet in the Fitness Center 5 minutes before our start time (see inside of the brochure for days and times).

Once you have attended on Orientation, you are ready to work out or attend a "Fitness 1-on-1" help session. See details on other side.
