## CROSSROADS SKATE PARK

*Crossroads Community Center, 16000 NE 10th Street, 98008. This state-of-the-art bowl was built by world renowned Grindline skate park builders. Empty swimming pools paved the way for one of the earliest genres of skateboarding in the '70's. This skate park was built to emulate a similar feel, but with modern additions. The massive bowl's depths range from 4' to 9.5' and features an over-vertical 'clamshell,' multiple hips, escalators, tombstone and various coping made of steel and concrete.*
